

*"It is only with
the heart that one
can see rightly;
what is essential
is invisible to the eye."*

Antoine de Saint-Exupery

TRANSFORMING LIVES

Invites you for an

AASHWASAN AWARENESS PROGRAM

"AASHWASAN REACHES CHILDREN "

TRANSFORMING LIVES OF CHILDREN WITH SPECIAL NEEDS"

Aashwasan Services have brought **unprecedented breakthroughs in children with developmental disabilities and genetic disorders, for the first time in the world, such as** Autism Spectrum Disorders, Cerebral Palsy, Epilepsy, Mental Retardation, Learning Disabilities, Attention Deficit Hyperactivity Disorder, Down's Syndrome, Angelmann's Syndrome, Muscular Dystrophy, Apraxia to name a few. Aashwasan services realign a child's developmental pattern bringing remarkable changes physiologically, psychologically and spiritually by restoring their development to almost 100% normalcy. This manifests in children and adults on various levels such as reversals/cure of the condition, coping/management along with the condition and/or prevention of health issues, psychologically problems resulting from a condition. As a result many children are beautifully integrated with and adapted to the mainstream.

Aashwasan is the only spiritual science organization in the world that brings in the knowledge of Aura Science and Extra Sensory Perception (ESP) to transform lives. Aashwasan was founded by Ms. Rashmi Aiyappa, who was born with the knowledge of Aura Science and ESP. She has invented various tools and techniques using her inborn knowledge that has brought Aashwasan as a path breaking movement worldwide. The tools and techniques invented by Ms. Rashmi Aiyappa, the founder of Aashwasan, has brought about a revolutionary transformation in over 5000 individuals all over the world. This transformation is brought by putting people in touch with their infinite self thus bringing in holistic well being at physiological, psychological and spiritual levels.

Aashwasan has achieved unprecedented breakthroughs in **Addictions, Developmental Disabilities and Disorders, Neurological Issues, Degenerative Illnesses, Autoimmune Illnesses, Non-communicable illnesses, Psychological and Psychiatric Conditions, Genetic Conditions, Non communicable issues, Lifestyle Stress Issues and Undiagnosed and untreatable conditions.** Aashwasan has transformed over 5000 lives and over 100 institutions in the past five years bringing hope, love and happiness to all the lives it has touched.

Aashwasan partitioners and parents of special children who have seen transformation in their children gather to share the process and their journey. To let you know that a diagnosis of autism, cerebral palsy, mental retardation or any other developmental or genetic issue is not the end of the world. To assure you that there are solutions beyond the sciences that exist today, that can help your child (child/adult) live a life of dignity and independence.
