# Aashwasan completes 17 purposeful years!

We are happy to announce that today Aashwasan completes 17 years of its purposeful journey through lives. Every day of our life, Aashwasan has been a reminder that we all are part of nature and that nature holds answers and solutions that we need for our lives. It has been a true assurance that we are never alone. We are always watched over.

Rashmi Aiyappa, the Spiritual Scientist, Inventor of Aashwasan Sciences and Founder of Aashwasan, has been relentlessly inventing tools and techniques to help people find solutions for their life issues. Aashwasan, a reflection of her unconditional love and hope in humanity, has been offering her inventions to help people connect to their innate potential and address the root cause of conditions of health and life situations. It has become a place to go to, where one finds holistic health, clarity in decision-making, and empowerment through purposeful direction unique to one's life.

Aashwasan Science™ has brought about unprecedented breakthroughs in Genetic conditions, Degenerative issues, Developmental Disorders, Lifestyle issues, Psychiatric Conditions and many Undiagnosed and Untreatable concerns of health and well being. Moreover, Ms Rashmi has invented innovative techniques to combat the challenge posed by the Pandemic in health /well being, Corporate wellness & growth.

As the 18th year begins, we look forward to serving more and serving better to make one's experience of life seamless, joyful and abundant. On our birthday, we wish that everyone experiences and expresses their creative selves, thereby living a healthy, happy and contented life.
